States that the petitioner is infirm, he has nobody to help him and that the prisoner may be released so as to be of help to his parents on condition that if the former is convicted of any offence under Chapter XVI IPC within the next 12 years, he would have to undergo the unexpired portion of his sentence in addition to the sentence that may be passed upon him for the offence.

8) Under section 401 CR Procedure code, the sentence can be remitted by Govt on such conditions as they may deem fit. Govt for orders Ref para 3. above.

8/25/6 9) [The case cannot be brought under Rule 308 of the Jail Manual, as under it in any case in which a Convict has suffered imprisonment for a period which with remissions earned comes to 14 years.] 10) Yes. Remission can be only under Sec 401 of the Code of Criminal Procedure.

The report of the Distt Magistrate goes to show that the petition of the old blind father for the release of his son is deserving of favourable Consideration. The son has already undergone a sentence of over 8 years. If the Govt are inclined to remit the sentence, a submission note to His Highness will be proper.

Final Note by the First Member of Council.

Subject:—

Remission of sentence passed on Dase Gowda in Mysore Sessions Case No. 18 of 19-20 on the file of the Sessions Judge, Mysore Division.

20) One Dase Gowda of T.Narsipur Taluk petitioned His Highness on 21st April 1926 praying that his son who is undergoing a sentence of transportation for life may be released in order that he may be of help to the petitioner in his old age. The petition was forwarded by the Private Secretary to His Highness to the Secretary to Government, Local and Legislative Departments for disposal.

21) On enquiry it is learnt that the petitioner is about 95 years of age, is blind and has depending on him his two aged wives, the prisoner's wife and child and two other grand-children by another deceased son. The prisoner was managing the affairs of the family before his incarceration and the petitioner is finding it very difficult now to maintain the family. The prisoner has already undergone a sentence of over 8½ years including remissions and will be eligible for release in another 5½ year more. His conduct in Jail is reported to be good.

22) Under these circumstances, I think that the case is a fit one for the exercise of the prerogative of mercy and for remission of the unexpired portion of the sentence under Section 401 of the Code of Crimina Procedure. The Dewan and the Second Member of Council agree with me.

Pages 3&4 of Office Notes

23) The gracious approval of His Highness is solicited to the remission, in the exercise of mercy, of the unexpired portion of the sentence passed on the prisoner.
